Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), a media tray with a media support surface and a media edge registration surface, a removable media holder having a lower portion contacting the media support surface; and the holder defining a media receptacle above the lower portion, and having a lateral opening facing the registration surface, the opening being configured to permit media in the receptacle to pass through the opening into contact with the registration surface as claimed in claim 1. Similar features are claimed in claims 11, 18, and 33. Therefore, claims 11, 18, and 33 are allowable over the cited art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark E. Wallerson whose telephone number is (571) 272-7470. The examiner can normally be reached on Monday-Friday - 6:30-4:00.
